Date: April 16, 2021

Ref: LoanNEX Quick Qualifier

Team,

Today we will have updated the Acra Pricer on the website to the LoanNEX Quick Qualifier. This new qualifier is a more streamlined and user-friendly version which will allow broker customers to easily see if they can qualify their customers with one of our programs.

The engine will be housed on our website under the broker tab and will be called 'Quick Qualifier'. Please take a few minutes to have a look and familiarize yourself with the engine.

In addition to this launch there will be various communication sent to Brokers through LoanNEX and Acra notifying them that we are now using LoanNEX and our pricing will be available on the platform. Communication will be sent to:

1. Acra customers currently using LoanNEX - **(LoanNEX to send)**
2. Brokers using LoanNEX but not currently Acra customers - **(LoanNEX to send)**
3. Brokers who have shown interest in LoanNEX but are not signed up - **(LoanNEX to send)**
4. All Acra broker accounts and prospects/leads - **(Acra to send)** – Monday, April 19

If you have any questions please reach out to your manager or to the Marketing Team at: marketing@acarlending.com.

Thank you,

Marketing Team
