

General Announcement 07-001

July 5, 2019

This Validation will fire upon clicking the status into Approved/In Process. The other occasion when the rule will fire is when the user leaves the LE Page 2 screen. The error will fire and will prompt the user to input the correct value on the LE Page 2 screen by double clicking the Validation Rule.

Leaving 'Loan Estimate Page 2' Screen		
	Type	Error Message
	Error	The LO Compensation from Lender Fee and Mortgage Broker Fee CANNOT both be blank or zero. Please contact your Manager if you have any questions.
