

First Time Credit Pull in BytePro

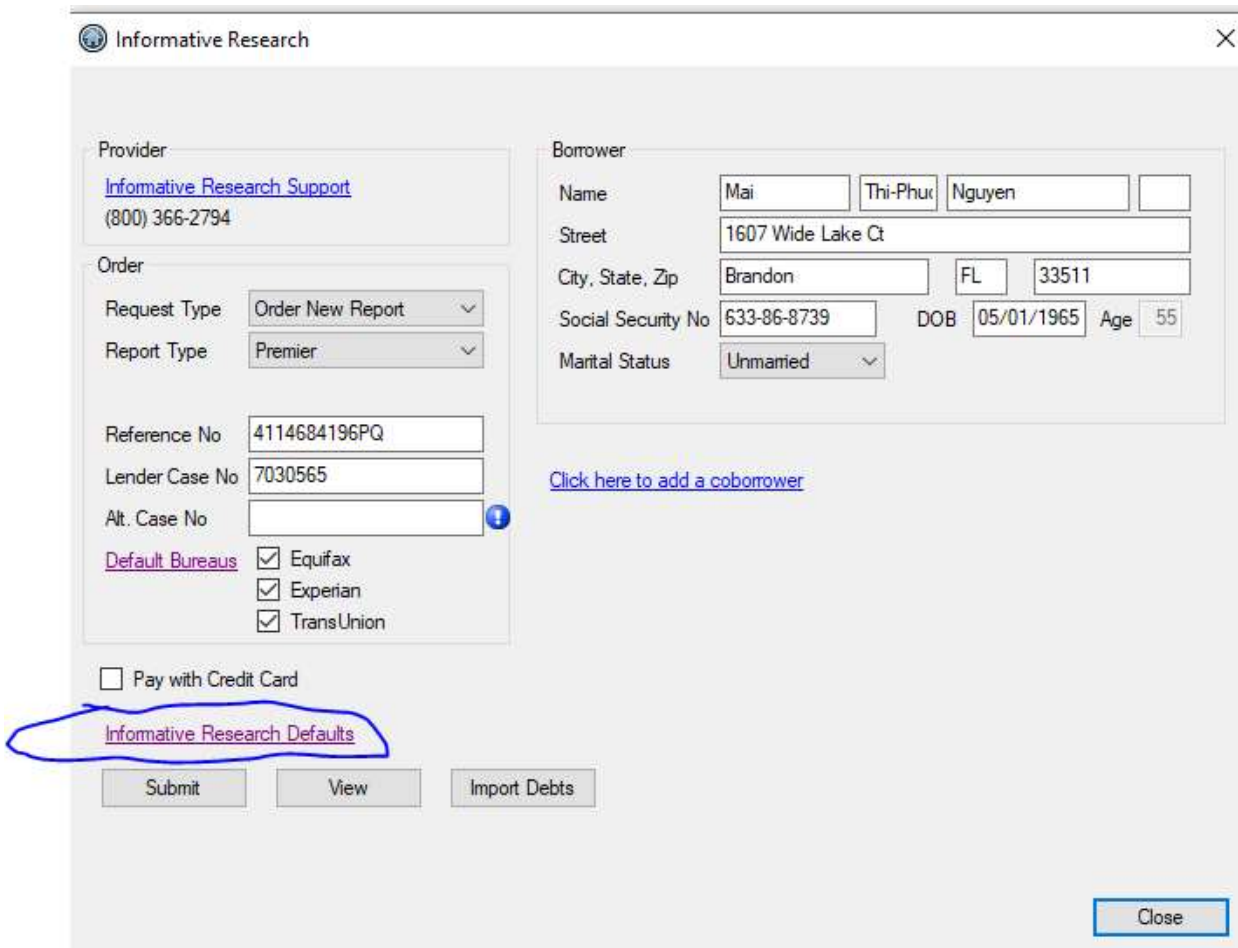

1. Go to Interfaces in BytePro

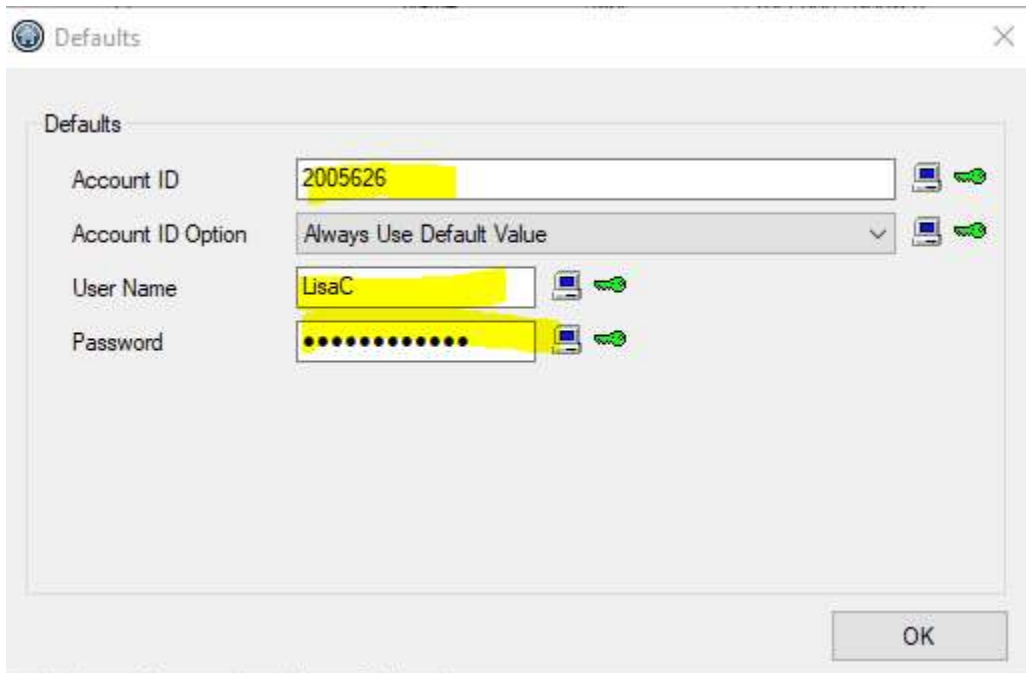

2. Scroll down to Credit
3. Scroll down to Informative Research

4. Click on the Informative Research Box
5. Click on the circled link

A screenshot of the 'Informative Research' window in the BytePro application. The window has a title bar with a close button. The main content area is divided into two columns. The left column contains a 'Provider' section with a link to 'Informative Research Support' and the phone number '(800) 366-2794'. Below this is an 'Order' section with dropdown menus for 'Request Type' (set to 'Order New Report') and 'Report Type' (set to 'Premier'). Further down are text input fields for 'Reference No' (4114684196PQ), 'Lender Case No' (7030565), and 'Alt. Case No'. Below these are checkboxes for 'Default Bureaus' with 'Equifax', 'Experian', and 'TransUnion' all checked. At the bottom of the left column is a checkbox for 'Pay with Credit Card' and a link to 'Informative Research Defaults' which is circled with a blue hand-drawn line. The right column contains a 'Borrower' section with text input fields for 'Name' (Mai Thi-Phuc Nguyen), 'Street' (1607 Wide Lake Ct), 'City, State, Zip' (Brandon FL 33511), 'Social Security No' (633-86-8739), 'DOB' (05/01/1965), 'Age' (55), and 'Marital Status' (Unmarried). Below the borrower section is a link to 'Click here to add a coborrower'. At the bottom of the window are three buttons: 'Submit', 'View', and 'Import Debts'. A 'Close' button is located in the bottom right corner.

6. Enter Account ID 2005626
7. Enter your use name that you were given by IT Support for Informative Research.
8. Enter the password you were given by IT Support for Informative Research.

The image shows a Windows-style dialog box titled "Defaults". It contains four input fields, each with a small computer icon and a green key icon to its right, indicating they are sensitive or important fields. The fields are:

- Account ID:** A text box containing the value "2005626".
- Account ID Option:** A dropdown menu currently showing "Always Use Default Value".
- User Name:** A text box containing the value "LisaC".
- Password:** A text box filled with 12 black dots, representing a masked password.

An "OK" button is located at the bottom right of the dialog box.
