

Early CD Requirements – Purchase and Refi Transactions

(Revised 12/29/22)

Prior to tasking the file to the closing department, the Account Manager (AM) or Acra Loan Processor must ensure that the following items are documented in Byte Pro and Doc Velocity.

Issuance of the Closing Disclosure (CD) will be based on the loan approval terms on the existing approval. The CD is not a commitment to lend.

Any changes to loan terms will require a re-work request to be submitted by the broker or Acra MLO and delivered to the AM or Acra Loan Processor to request Underwriting review. An additional Closing Disclosure will need to be issued and additional waiting periods may apply.

- Acra Initial LE Disclosures issued
- Rate Lock cannot be expired
