

Byte Pro Main Toolbar Shortcuts

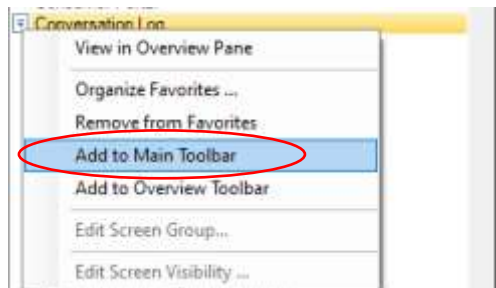

Create your Byte Pro shortcuts to display on the MAIN TOOLBAR to allow for easy transition between screens. Screens that are displayed with a STAR emblem are custom screens. Hover over each icon to display the screen name.

Select **ALL SCREENS** in the left margin and locate the screen in alphabetical order.

Select the **DOWN ARROW** and choose **ADD TO MAIN TOOL BAR**.

Select the option to **ADD TO MAIN TOOL BAR**.

The short cut for the screen selected will appear in the **MAIN TOOL BAR**.
