Your Login Information

Information from e-mail number one - www.informativeresearch.com:

The screenshot shows a login form with an orange background. It contains three input fields: 'Client ID *', 'Username *', and 'Password *'. Each field has a red exclamation mark icon to its right. Below the 'Password' field is a yellow circular button with a white right-pointing arrow. At the bottom of the form, there are two links: 'Forgot Password?' and 'Register Security ID'.

It will then generate a second email.

A screenshot of a password change dialog box with an orange background. It contains two white input fields. The first field is labeled "New Password *" and the second is labeled "Confirm New Password *". Below the fields, the text "Password Requirements" is displayed. At the bottom, there are two buttons: "Save" and "Cancel".

Once you have successfully logged in to the IR website, your credentials need to be entered into BytePro so you can run IR credit reports through the Byte Interface:

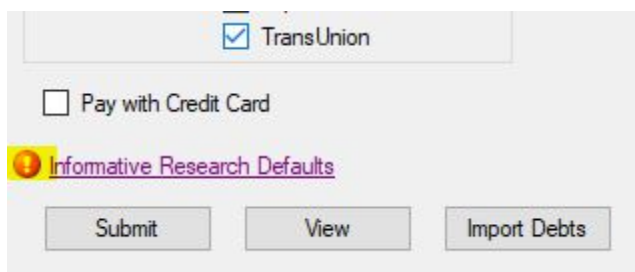

In BytePro, open any active loan file, click the Interfaces menu, then choose Credit:

Click on the icon for Informative Research:

Click on the link that says “Informative Research Defaults”

This image shows a section of a web interface. At the top, there is a checkbox labeled 'TransUnion' which is checked. Below it is another checkbox labeled 'Pay with Credit Card' which is unchecked. Underneath the checkboxes is a link that says 'Informative Research Defaults' in purple text, preceded by a small yellow circular icon with a question mark. At the bottom of this section are three buttons: 'Submit', 'View', and 'Import Debts'.

Enter the Account ID and User Name from the initial email received from IR. Input the password you created and click OK. Your login is now saved in BytePro.

In order to retrieve reports during underwrites, you can access the Informative Research order screen by clicking Interfaces→Credit→Informative Research
