FEE ESTIMATES
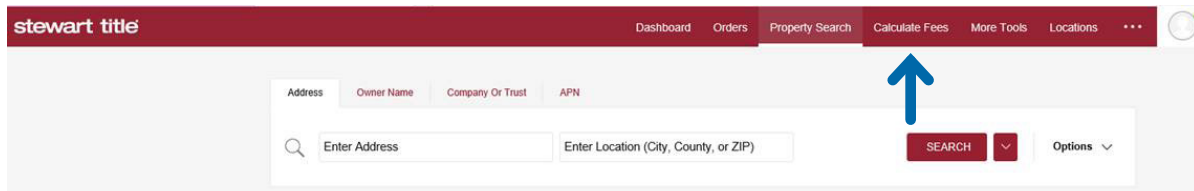

## StewartNow.com

To obtain a National Fee Quote, the user will click on Calculate Fees from the Stewart Now Toolbar:

Or, from the users Dashboard by clicking on the Calculate Fees button:

FEE ESTIMATES

StewartNow.com

From the Stewart Rate Calculator add Property Zip:

Or click on "Don't know the Zip Code" and instead add State, County, City:

FEE ESTIMATES

StewartNow.com

From Loan Information, select Transaction type (the loan policy field will auto-fill based on the state, user need not change). From Transaction Amount add the Loan Amount:

* Note: Customary Endorsements will auto select and pull to the fee quote only if a charge is applicable. Additional endorsements can be added by clicking on the green Endorsement button.

Governmental Fees will also auto select and only if additional information is needed will the user be prompted to complete the required field(s) based on the county/state.
